MEMORANDUM FOR CHAIRMAN, USIB

SUBJECT : Secretariat Summary of USIB Agenda for
28 January 1971

Item 1 Watch Report

Draft by the Watch Committee to be circulated for USIB
Approval;
Sponsor - General Cushman

EXECUTIVE SESSION

Item 2 The Strategic Warning Problem (China)
China Intelligence Activities Coordination Group (CIACG)
Report for Board Discussion;
Sponsor - [REDACTED]

This report responds to a USIB request in November 1969 following Board consideration of a similar paper on the Soviet Union. The first version of this paper was discussed at a Board meeting last October, which General Cushman chaired. It was remanded at that time largely because of problems raised by Admiral Gayler [REDACTED]

[REDACTED] in his briefing memorandum for you [REDACTED] reports that the paper has moved away from these comparative statements, but that the changes have in no way altered the somber judgments originally set forth.

In October the Board did not discuss the report's suggestions (pp 17-19), and their proposed implementation which the CIACG believes should be undertaken by the Strategic Warning Working Group (SWWG) under [REDACTED] Attached to [REDACTED] memorandum is a summary of the CIACG suggested actions which also indicates the components of the intelligence community most directly concerned and involved in their implementation.

[REDACTED] is prepared to table this list of suggestions at the meeting and, as was done with the Soviet warning study, to solicit the support of the USIB Principals in getting on with the implementation under the auspices of the SWWG.

MEMORANDUM FOR CHAIRMAN, USIB

SUBJECT : Attendance at USIB Meeting on Thursday,
28 January

1. DIA has advised that Brigadier General David E. Ott, the new Deputy for Intelligence under General McChristian, will represent Army at this week's USIB meeting. Since he has just taken this post, General Ott has asked if Colonel John D. Foulk, who has represented Army at some recent Board meetings, could also sit in as back-up for the two Executive Session items. I pointed out the sensitivity of these items and explained that this request would have to be submitted for your consideration.

2. I also discussed this agenda with Bronson Tweedy in view of his interest in both the [] studies. He would like to attend for these items if you approve.
